

**PACIFIC NORTHWEST
NEUROPSYCHOLOGICAL
SOCIETY
24th ANNUAL CONFERENCE
SATURDAY, MARCH 5th, 2011**

***Cortical-Subcortical
Networks and a
Dual-Tiered Model of
Cognition:
Theory and Practice***

Speakers:

**Leonard F. Koziol, PsyD, ABPN,
ABPdN**

The Neuroscience Center
Deerfield, IL

**Deborah Ely Budding, PhD,
ABPN, ABPdN**

Manhattan Beach, CA

University of Washington Club
University of Washington
Seattle, Washington

7:30AM-8:45AM Registration
8:45AM-4:45 PM Conference

Continuing Education: CPE: 6.0 Hours credit for psychologists through PNNS. PNNS is approved by the Washington State Office of Public Instruction (OSPI) to provide clock hours for all of those with continuing level certificates.

Continental breakfast: Coffee, tea, juice and scones with jam provided during registration, 7:30-8:45 AM.

Lunch: Provided with pre-registration received by 2/28/11. Lunch includes turkey wraps (with cream cheese), salmon salad sandwiches, vegetarian sandwiches (with feta cheese), green salad, fruit salad, and freshly baked chocolate chip cookies with coffee/tea.

Accessibility: The University of Washington Club (formerly called the Faculty Center) is wheelchair accessible. To request special accommodations including dietary, call Molly Warner, Ph.D., PNNS Treasurer, 206-987-4395.

Questions about the conference?

Contact:

Brad Powell, Ph.D., PNNS Secretary (bradpowell2@comcast.net), or Christine Clancy, Ph.D., PNNS President (christine.clancy@seattlechildrens.org), or Molly Warner, Ph.D., PNNS Treasurer (molly.warner@seattlechildrens.org, 206-987-4395).

Cortical-Subcortical Networks and a Dual-Tiered Model of Cognition: Theory and Practice

Saturday, March 5th, 2011
University of Washington Club
University of Washington, Seattle WA

Schedule

7:30-8:45	Registration and Continental Breakfast
8:45-9:00	Christine Clancy, Ph.D. (PNNS President): <i>Welcome and Introduction of Speakers</i>
9:00-10:20	Leonard F. Koziol, Psy.D., ABPN, ABPdN (The Neuroscience Center, Deerfield, IL): <i>Functional Neuroanatomy: A Dual-Tiered Perspective (Part I)</i>
10:20-10:40	Break with refreshments
10:40-12:00	Leonard F. Koziol, Psy.D., ABPN, ABPdN (The Neuroscience Center, Deerfield, IL): <i>Functional Neuroanatomy: A Dual-Tiered Perspective (Part II)</i>

12:00-1:30	Lunch, University of Washington Club (included with pre-registration received by Monday, February 28, 2011)
1:30-2:50	Deborah Ely Budding, Ph.D., ABPN, ABPdN (Manhattan Beach, CA): <i>Assessing Neurodevelopmental and Psychiatric Disorders within a Dual-Tiered Context (Part I)</i>
2:50-3:10	Break with refreshments
3:10-4:30	Deborah Ely Budding, Ph.D., ABPN, ABPdN (Manhattan Beach, CA): <i>Assessing Neurodevelopmental and Psychiatric Disorders within a Dual-Tiered Context (Part II)</i>
4:30-4:45	Questions & Discussion

Driving Directions in Seattle

1. From I-5 take S.R. 520 towards Bellevue.
2. In $\frac{3}{4}$ mile get off 520 at Montlake.
3. Turn left at light onto Montlake Boulevard.
4. Go straight through three lights (Hamlin, Shelby, Pacific) and pass Husky Stadium.
5. Get into the left lane. At the fork, keep straight onto 25th while Montlake veers right.
6. Immediately turn left at the next light onto the UW Campus, at Pend Oreille Drive.
7. If the parking kiosk is open, pay \$6.00 fee.
8. At top of hill, turn left onto Stevens Way.
9. The University of Washington Club is the third building on the left; take the steep driveway just before the building. If parking spaces behind the facility are full, retrace route and park behind Padelford Hall, on the right just before the parking kiosk.
